4.30- 5.30pm	AHA Annual General Meeting Lecture Theatre 421.2.03										
7.00-10pm	Conference Dinner Melbourne Museum, 11 Nicholson St, Carlton Gardens										

Conference Venue

Conference Sessions

All conference sessions will be held in the Saint Teresa of Kolkata Building (Building 421) on ACU's Melbourne Campus in Fitzroy, located at 115D Victoria Parade. Keynotes and regular sessions are in rooms across Levels 2 to 5, with access via both lift and escalator. Breaks will be held in the Greg Craven Conference Centre on Level 7, which can be accessed by lift or escalators and stairs. We have access to most of the floor, so please make use of the GCC space, the postgrad hub, and (if the weather is pleasant!) the outdoor roof terrace on Level 6 during break times.

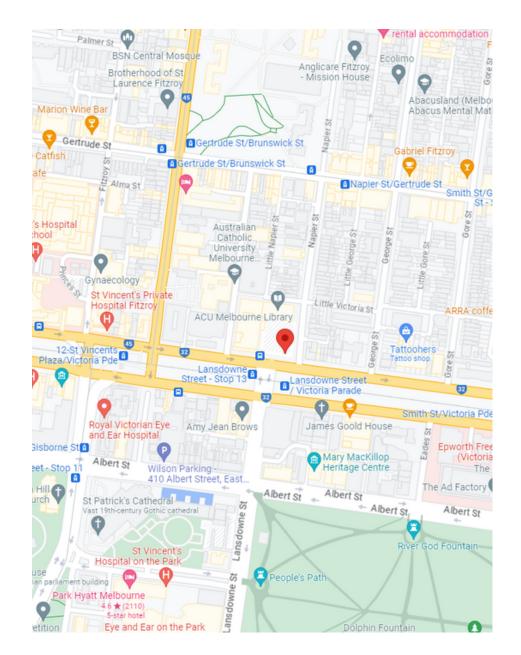

Conference Dinner

The conference dinner will be held on Thursday evening at Melbourne Museum, which is located at 11 Nicholson St within Carlton Gardens, about a 10 minute walk from the conference venue. Route 86 trams run along Gertrude St and can also be used to get to the conference dinner.

Transport

The conference venue is located close to both Quest Collingwood and accommodation in the CBD - approximately a 10 minute walk in either direction. There is limited street and on-site parking, so we recommend attendees use public transport where possible. If you require parking for accessability, please get in touch with the conference committee by email.

Route 12 and 109 trams stop close to the building entrance (use Stop 13, Landsdowne St) and run both west toward the CBD (Collins St) and east toward Collingwood and Richmond.

Contacts & Assistance

Conference App

Any changes to the conference program or other anouncements will be communicated via the conference app and by emails to attendees. Downloading the app will be the easiest way to navigate the program and keep up to date, so we encourage you to do so.

Other Assistance

For any other assistance, please contact the conference organisers by email (aha2023@acu.edu.au) or visit the registration desk, located in the Greg Craven Conference Centre on Level 7.

Twitter

As always, please tag your tweets with #OzHA2023 so that we see them and others can follow along with the conference!

COVID Safety

ACU is operating under 'COVID-normal' guidelines but we are also aware that the danger of contracting the virus is very much with us. We encourage delegates to take reasonable and proportionate steps to minimise the risk of spreading COVID-19 at the conference. Without detracting from your conference experience, we kindly ask attendees to strive for the following: maintain 'reasonable separation' in indoor settings; consider, where possible, eating in an outdoor setting (such as the roof terrace on Level 6); and consider wearing a mask in indoor settings. We encourage you to bring a mask if you have one, but masks and sanitiser are also available at the registration desk on Level 7. Please stay home if COVID-19 positive and test if displaying symptoms. Ensuring that your vaccinations and boosters are up to date is also strongly suggested.
